

## Contributions made easy:

If you are a *Robin's Nest* child sponsor there is an easier way than writing a cheque each month!

If you have a Bank Account, why not use our **Direct Debit** facility. Pay monthly, quarterly, bi-annually or annually and you don't have to do a thing.

### How it works:

The ICARE Direct Debit System is a simple, easy procedure which takes the worry out of "payment due" dates. You won't have to remember when it's due—we'll do it for you.

Each month we run our Direct Debit batch, produce your receipt, and everything is taken care of. Your child's support is received every month allowing us to provide consistent aid support.

*Regular, on time payment allows regular funding of CSP budgets.*

### What if I want to cancel?

If you wish to cancel the Direct Debit or change to another method of payment, just contact us and we cancel your authority to debit immediately.

**A Sponsorship is:  
the knowledge that someone cares -  
which gives HOPE.**

## The Benefits of Direct Debit:

Our Direct Debit facility allows you to support your child regularly without the worry of remembering monthly payments.

Direct Debits are run once a month. This means your child support is received regularly and without interruption so that aid can be given on a planned, consistent budget.

If, for any reason, your debit fails, ICARE will receive a Bank charge, which adds to administration costs and cuts down the amount of available funds for aid programmes. Therefore we ask for your co-operation to:

1. Make sure the available funds are in your account prior to the date of debit.
2. Advise immediately if you intend to close or change an account.

If you wish to discuss any changes to the initial terms, please contact the ICARE office by
