WORKING LOCALLY TO HELP GLOBALLY!

A generous sponsorship offer to Robins Nest!

If any person lists and sells their property with **Ray White Real Estate - Valentine: Ph (02) 4946 1040** and informs us that they have been referred to us by an association with the "Robins Nest" project in writing, **Ray White will donate \$500.00 on the completion of the sale of the property** to your organisation.

This sponsorship proposal is valid to the end of 2009.

We can't express how great the needs are for funds!

Here's two notes I received today from Jan Suffolk in Kenya who is overseeing our Robin's Nest ORPHANAGE building project for 10 months (and hopefully longer):

*"After going to the local children's welfare home and seeing a little baby that had been rescued from being fed and killed with goat's blood as it was a product from incest. If a child is born out of incest; on the third day they feed it goat's blood and leave it to die. It chokes to death on the blood. Children are supposed to be adopted, fostered or moved onto other children's homes from here. I'm told there are no homes in our district that are deemed good enough to take them. They are now **waiting** for our houses to be built. **As soon as we build and say the word our homes will be filled.**" Fri. Sept. 4/09*
